December Annual Meeting: Monday, December 2nd 6pm @ Ballville Township Hall

# Message from the President—Gary Wylie

Hello SRVBA Members!

The August meeting was a great success. We had an open-mic discussion night which allowed members to ask questions and discuss and participate by providing information to other members. There was a lot of group participation. I received very positive feedback about the meeting. We'll look for opportunities to use the open discussion format again in future meetings.

September is SRVBA annual picnic month. This event is a great time to fellowship and visit with other club members and have some fun. The picnic is Sunday, September 15th, starting at noon. The club will furnish the meat, buns, condiments, water, and paper products. Please bring a dish to share with the group. The location for the picnic will be at Dr. Michael Stone's residence at 1850 State Route 12, Fremont, Ohio 43420. **Note: Since we're meeting for the picnic, there will be no September monthly meeting.**

A winter preparation workshop will be held on September 21st, 10am to 12pm. The workshop will be held at Gary & Tami Wylie's barn. A general discussion about the winter season and the need for fall and winter feeding. We'll then demonstrate preparing a sugar board and discuss making winter patties. This workshop complements the hive winterizing presentation which will be presented at the October meeting.

The 2024 county fairs were recently completed. We had tables set-up at Ottawa, Seneca, and Sandusky County fairs. Although we had some hot sticky days, we still had a great time. Our mission of educating the public about honey bees and bee-related issues was accomplished and we collected names of potential future beekeepers. A big thank you to those members who helped at the fairs (4-hour shifts). Thank you all! Your participation makes SRVBA a great organization.

If you haven't yet attended a beekeeper class, we have an end-of-year class planned for Saturday, November 2, 2024. We have 10 openings for the class. The class will soon be advertised to the public and will pretty quickly be full. The registration form is now on our website.

The 2025 New Beekeeper Class is scheduled for March 8, 2025, 8am through 5pm.

See you all at the September picnic!

Thank you for supporting SRVBA!

Gary Wylie
